Rotarian thanks volunteer paramedics for saving his life

A CREWKERNE Rotarian has been reunited with the St John Ambulance volunteers who helped save his life after a cardiac arrest.

David Fradgley, from Chard, was at the West Somerset Railway Association Steam Rally, near Taunton, in early August, when he was taken ill suddenly.

Bystanders gave initial first aid while David's friend fetched volunteers from the nearby St John Ambulance tent to give medical assistance.

The 74-year-old said: "Without the St John Ambulance volunteers and their equipment, it would've been curtains for me.

"I'm extremely grateful to them, because there's no

way I would've survived without their treatment and, even if I had, I might have been a bit gaga afterwards, which would have been dreadful."

St John Ambulance volunteer Stuart Winter recalled the incident: "It was the busiest point of the event and we already had a tent full of patients who we were treating, but as soon as we heard someone had collapsed, we knew we had an emergency on our hands."

At the scene, he found David in the recovery position, but unconscious and not breathing. Realising it was a cardiac arrest, Stuart and his fellow volunteers

■ GRATEFUL: St John Ambulance volunteers Steve Baker (left) and Stuart Winter (right) with cardiac arrest survivor David Fradgley in Taunton

gave CPR (cardio-pulmonary resuscitation) and used a portable defibrillator to shock David's heart four times.

After around ten minutes, an ambulance arrived and paramedics gave David a further two shocks using their equipment, before taking him to Musgrove Park Hospital.

Stuart added: "It just goes to show how important it is to have highly trained first aiders with the right equipment at big events.

"We were able to get to David quickly and, thanks to our defibrillator, help resuscitate him successfully.

"It's always nice to meet patients we've treated afterwards – especially following an incident like this – and we're all very glad to see that David is recovering well."

About 60,000 people have a cardiac arrest outside hospitals each year and where a defibrillator is used early, the survival rate increases by up to 50 per cent.

Prior to his fateful visit to the Steam Rally, David was among Rotary Club of Crewkerne members working on a plan to buy public access defibrillators for the town. Now he is more determined than ever to help complete the fundraising drive.

And he is looking forward to attending next year's WSRA Steam Rally, because he can't remember a thing about this year's event.

He said: "I've lost about six days' worth of memories – they've just vanished. But thanks to all the people who helped me, I'm looking forward to the days ahead more than ever."

For more information on St John Ambulance's work, including how to become a volunteer, buy first aid equipment – including defibrillators – and details of training for the public, schools and businesses, visit www.sja.org.uk or call 08700 10 49 50.

EAST DEVON Questionnaire to help improve council services

EAST Devon residents are being urged to take part in a consultation exercise to help them 'see a clearer picture' of what services the council needs to provide, ahead of its proposed HQ move. Three thousand randomly-selected households in East Devon will be contacted and asked their opinions on subjects including how often they visit the council offices in Sidmouth, which services should be available in Honiton and which in Exmouth. The survey will also be available to download from the EDDC website. EDDC leader Paul Diviani said it was vital that people of different ages feel they can access the services in a way that best suits them regardless of their age, physical fitness, ability to travel or use of the internet.

Feedback from the questionnaire will help the team working on the relocation project to arrange things to ensure the council and its customers get the best possible value from the move and from the transformation process that runs alongside it. Results will be analysed in late November/December.

From the editor's chair Head's unparalleled service

THERE will be many parents in Axminster who will be sad to hear that Tony Harvill has stood down as headmaster of Axminster Primary School after 25 years of loyal service.

His resignation, following a short period of illness, comes at a much troubled period for the school, which now operate as an academy and as such does not come under the control of Devon County Council but is financed by central government.

Mr Harvill's service to the school is unlikely to be paralleled. For a quarter of a century he steered hundreds of children through their first educational experience to the big school and won great admiration for doing so with some good Ofsted reports along the way.

Parents are fuming over what seemed to be a chaotic and distressing end-of-term before the summer break. SATs results have still not been announced and an external investigation is ongoing.

In November last year Axminster Primary joined with schools in Uplyme, Chardstock and Marshwood to form The Acorn Multi Academy Trust with each maintaining its own "distinctive ethos", a decision by the Governors.

At the time the move was hailed as an "exciting opportunity bringing four schools into a highly effective, close-knit educational organisation bringing enjoyment and success for the pupils and satisfaction and professional development for all the staff".

That's a great deal to live up to and there are many parents in Axminster who are questioning the wisdom of opting out of local authority control.

COLYTON Two consecutive wins for Nunsford Nutters

COLYTON'S Nunsford Nutters Carnival Club triumphed for a second consecutive week taking the Best Overall Entry title at their home carnival.

After triumphing at the Seaton procession the previous week, Nunsford Nutters and its "Gone Fishin'" float took the top title at Colyton Carnival on Saturday night.

The weather stayed dry for the event and organisers said takings on carnival day alone, which also included the popular carnival market, were in excess of £8,300.

Provisional figures for the day were as follows: carnival market - £5,796, street collection - £1,820, ploughmans lunches - £500, youth club refreshments - £128 and youth football teas - £141, totalling £8,385 (not all profit).

Figures from carnival day will be added to funds raised at various events during the week and will be split between local organisations who helped with events and the committee's main aims of the year.

SEATON Big turnout for mayor's first surgery

SEATON Mayor Tony Woodman has stressed that the council is not a closed shop, and hopes any views to the contrary were blown away by a packed surgery.

Straight after being elected as Seaton Mayor, Councillor Woodman made it clear there would be changes to the way the council operates.

The first step was to make it possible for residents to attend council meetings and raise matters not on the agenda. The mayor also introduced a series of three one-to-one drop in surgeries for September, the first one proving so popular he had to open the doors half an hour early.

with seagulls, parking issues and necessary work to safeguard the future of Beer Road

were just some of the issues raised at his first one-to-one surgery for Seaton residents.

AXMINSTER School under fire over SATs investigation

TONY Harvill has left his role as Axminster Primary School headteacher after almost 25 years in the post.

A school spokesperson said: "After a short period of illness, Tony Harvill has decided not to return to school."

"He would like to wish the staff, pupils, parents and governors every success for the future."

The school is under fire from parents, and the spokesperson admitted that pupils had been interviewed and asked to set up the hall the way it was laid out on SATs exam day as part of an investigation.

The admission came after angry parents accused the school of stonewalling and interviewing pupils without parental consent.

The school spokesperson said: "It has been claimed we are keeping parents in the dark but this is an external investigation which is continuing."

"When we have further information we will share it with parents."

ILMINSTER Pupils start term after £100,000 school refit

PUPILS have returned to a £100,00-plus makeover at Neroche Community Primary School in Broadway, Ilminster.

On top of Somerset County Council's £100,000 summer building works investment in new windows and doors for the whole school, the governing body has funded the the creation of a seventh classroom.

Beginning a new era at the Shrubbery Hotel

LOCAL residents and members of the business community were eager to see the 'new look' Shrubbery Hotel in Ilminster when owner Kevin Newton staged a reopening party.

Mr Newton, who also owns The Swan Hotel in Wells, purchased the Shrubbery last July from Stuart Shepherd, whose family had owned and run the hotel for the previous 70 years.

Aware that the hotel has long been at the heart of the local community, Mr Newton was quick to reiterate his pledge to ensure that it remains that way.

The relaunch marks the first phase in a planned extensive refurbishment programme, where the reception area and all of the ground floor function rooms have had a complete makeover, bringing the facilities offered firmly into the 21st century.

The second phase, which will include overhauling the hotel's 21 bedrooms is expected to be completed by the middle of 2016.

Barn owl makes his debut at U3A meeting

IT WAS a wise move by Chris Sperring to take along a five-week-old barn owl to make its first public appearance at the September meeting of Crewkerne & District University of the Third Age (U3A).

Beau, the 15-year-old barn owl that usually accompanies Chris on his talks around the South West, was unable to make the trip because she was undergoing a heavy moult.

But that opened the door for the as yet unnamed young owl to make his first public appearance at the U3A meeting on September 7th.

Although the new kid on the block, he clearly had the wit to woo an audience of more than 80 people at the Henhayes Centre who were delighted to see the youngster make his albeit brief debut.

Chris, a well known TV broadcaster, who is the Hawk and Owl Trust's conservation officer for the South West, said that there are half-a-dozen species of owls in the UK, with the tawny owl the one that can be found in Crewkerne.

The others are the short eared owl, long eared owl, little owl, barn owl and eagle owl.

Generally, owls are in decline, victims of a loss of habitat and the severe winters of recent years.

But he told U3A members how they could help reverse the trend. One answer is to provide boxes, although you cannot always guarantee that it will be an owl that makes its home there.

Another way is to leave a small pile of logs in your garden. Voles could well make their home there, and since voles are a favourite staple of their dietary wishlist, owls will

want to pay a visit.

Chris spoke about the Somerset Community Barn Owl project which has successfully achieved its target of providing 335 boxes in the county, and the plans to build on this good work through the trust's Community Owls Project.

A collection was taken at the end of the meeting to make a donation to the Hawk and Owl Trust.

■ DEBUT | Chris Sperring with a five-week-old barn owl, making its first public appearance at the Crewkerne & District U3A meeting

Recently Helen has had a change of career, training as a musical therapist. The famous Swan by Saint-Saens will be one of Helen's contributions to the programme as well as works by Faure and Poulenc.

Counter tenor Oliver Doney will be bringing some baroque music to the programme with works by Charpentier and Couperin.

Oliver was a choral scholar for a year at Truro Cathedral and has sung with many ensembles including the East Cornwall Bach Choir.

Accompanying all these performers on piano and organ will be Jonathan Delbridge. Jonathan

has a busy career as a teacher of piano and organ and a freelance soloist.

He has performed at venues throughout the UK including the Royal Albert Hall, York Minster and Norwich Cathedral. He has recently moved to Crewkerne where he is quickly establishing a thriving piano teaching business.

Tickets for this exciting concert are £8 (free for 17s and under) and available from 01460 73960 or from Crewkerne News, Falkland Square.

The Friends of Crewkerne Parish Church will be providing wine and teas for sale along with canapes and cakes following the concert.

New headteacher 'thrilled' to take charge at school

SARAH Graham is the new headmistress of Chard School.

Sarah, who takes over the top role from previous headmaster Paul Cawley-Wakefield, said she was thrilled to return to her roots in Somerset to take the helm at Chard after running a leading 400-strong pre-preparatory school in London.

A modern languages graduate of the University of St Andrews, she has a wealth of educational leadership experience in both state and independent sectors. And with three children of her own who have all been through private primary education, she is used to seeing things from a parent's point of view.

■ APPOINTMENT: Sarah Graham will be taking up the post of headmistress at Chard School.

Sarah said: "Chard School is uniquely placed to offer a truly independent education tailored to the needs of your child, with long-standing tradition and excellent facilities, yet small enough to be flexible and forward-looking.

"Pupils move on to a range of schools, with Colyton and the Taunton schools being the most popular, and most recently our leavers have been awarded scholarships for academic, musical, sporting and all-round achievement.

"I feel privileged to be taking up the position of head at this exceptional school."

Chard School's next open day will take place on Friday, October 9th, starting at 9.30am and running until 11.30am.

Sarah encourages all prospective parents to attend, saying: "Come along and take a tour of our wonderful school.

"The open day will give you a real feel of what life is like at Chard; the breadth of the curriculum, our extensive facilities, our passionate and enthusiastic teaching staff and, above all, our happy and thriving children."

For more information, please visit the school's website at this address: www.chardschool.co.uk

■ MEETING OF MINDS: Marcus Fysh MP, centre, with, left to right: Ken Burrows (U3A chairman), Di Goldsmith and Marion Field.

Resourceful retired group impresses MP

MP Marcus Fysh has visited a University of the Third Age open day in Chard Guildhall.

The event was an opportunity for the Yeovil MP to meet the passionate members of U3A and be given a first-hand explanation of exactly what U3A is about.

U3A chairman Ken Burrows told him: "We are a registered charity that facilitates shared learning for people in retirement.

"We have grown quite fast nationally and locally, but still there are many people who would qualify for membership but either do not know about us or do not really understand what we do."

Mr Fysh was impressed with the drive and commitment of the members showing their own skills on the day, saying: "The voluntary work that U3A are doing is incredible to offer support and education to other people in a similar situation – it undoubtedly stops loneliness and keeps minds active.

"I have seen learning groups today around art, rambling, natural history, science, languages, badminton to name but a few. Perhaps the most interesting was to be told by Margaret Hewson that the election results were written in the stars."

Treat for photographers

ENTHUSIASTIC photographers could expand their knowledge when Chard Camera Club's evening of image adjustment techniques on Thursday September 3rd opened the new season.

The session was split into two parts, with the first given over to the group by watching the travelling display of the results of the recent Western Counties Photographic Federation's (WCPF) members' competition.

There followed a short break, after which members who had been selected to submit their images for the Kingswood Salver competition were given instruction by fellow member Peter O'Shea on how to treat images in a common procedure that resulted in all images being produced to the common theme of production.

The next evening in club headquarters at Chard Baptist Church Hall will be on Thurs-

day, September 17th, and this session will consist of an in-house print competition on the subjects of Portrait, Nature and an Open – to be judged by Sid Jones.

Any person interested in joining the club can do so by contacting Peter Partridge on 01460 66885 or by going to their website, which is www.chardcameraclub.org.co.uk – or you can simply turn up on the night of any meeting.

■ **SEASON'S OPENER:** Chard Camera Club members view digital images and discuss ways of treating pictures at their first gathering of the new season staged in the town's Baptist Church Hall on September 3rd.

Swapping top hat for trainers

CREWKERNE funeral director Tracey Warren from AE Stoodley & Son is swapping her top hat and tails for running clothes and trainers.

Tracey is entering her first ever 5k run on Sunday, October 12th at Pilton, near Glastonbury. Braving the mud and terrain of the Glastonbury Festival site she is running to raise funds for Children's Hospice South West.

Five weeks ago Tracey had never even contemplated running but with the help of Mark Hughes from MarkOne fitness in Crewkerne, she has started a rigorous fitness regime to complete the course.

Training three times a week in all winds and weather, Tracey is determined to complete the course in her own record breaking time.

Mark said: "Tracey came to me just over a month ago with the desire to shape up, so I set her a tailored plan. Fitness has to be earned and she showed me from very early on that she is a very determined lady who is prepared to dedicate herself. Going from strength to strength this 5k run is a great goal for her to smash whilst supporting a brilliant charity."

Tracey is aiming to raise £500 and hopes with the generosity of the local community she may even exceed that target.

The Children's Hospice is a charity she feels very passionate about, having seen at first hand the superb work and support they provide. The run is very daunting but fingers crossed for good weather and no mud!

To sponsor Tracey please either call into AE Stoodley & Son, Crewkerne, or you can also read her training blog and donate online at <http://tracysrun.muchloved.com>

House fire in Ilminster

FIRE crews from Ilminster, Chard and Crewkerne were despatched to a fire at The Incline, Ilminster, just after midday on Wednesday September 9th.

A spokesperson for the fire and rescue service said: "On arrival the crews discovered a fire within the flat roof space of the property.

"The fire caused the water tank to rupture causing damage to the whole of the property.

"The fire crews used two hose-reel jets, stirrup pumps, small tools and a thermal image camera to extinguish the fire."

Fire crews called to rescue farm worker

A MAN had to be freed by firefighters after becoming trapped in farm machinery.

Fire crews from Chard, Martock and Yeovil were sent to Compton Durville, near South Petherton, during the early afternoon of Wednesday, September 9th.

A spokesperson for the fire and rescue service said: "The male was trapped by his arm and crews released him using hydraulic cutting gear and small tools."

Bellringers to take on world record challenge in South Petherton

A BAND of bellringers will try to break a world bell-ringing record at South Petherton's parish church in October.

Twelve bellringers from all over the country will be at the Church of St Peter & St Paul on Saturday, October 17th to attempt to ring 21,216 changes of a method known as Cambridge Surprise Maximus.

Trish Harper, fundraising committee member of St Peter & St Paul's (with the Seavingtons and East Lambrook), said: "If successful, the ringers will break a record set on Birmingham Cathedral's bells nearly 50 years ago.

"The 12 highly experienced ringers are subject to

rules laid down by the Central Council of Church Bell Ringers.

"Everyone has to ring their bell for the whole time without a break. It is expected the record peal attempt will take approximately 14 hours, ending at approximately 9pm.

"The church will be open throughout the day for visitors to listen and watch the ringers via video link.

"In order to contain the sound within the confines of the churchyard as much as possible, some additional sound control mechanisms will be installed in the tower."

Refreshments will be available from 10am to 5pm.

Experience Ilminster group looking for your support

THE Experience Ilminster Community Interest Company would like a big turnout for its annual open meeting.

The open meeting will start at 7pm on Tuesday, September 15th, upstairs in The Retreat restaurant in Market Square.

Chairman Mike Fry-Foley said: "There will be a report on Ilminster Midsummer Experience 2015 and a sneak preview of some of the 2016 events.

"However, we are always looking for ideas for new

events, so if you have seen something that looks interesting that you or your club or organisation think might fit in and be successful, come along and tell us about it.

"We are very keen to encourage new events and participants.

"And you would be very welcome if you just wanted to offer a few hours' help, too.

"With an increasing number of events we are always looking for people to help out

either during the actual weekend or in the planning stages.

"Remember, the idea is that we want to show that Ilminster is a vibrant community," he said, "and as a community event, the Ilminster Midsummer Experience is at its best when it is led by the community.

"This is an opportunity for you to get involved and express your views and perhaps raise some funds for local not-for-profit organisations."

Town crier's Rotary talk

THE Rotary Club of Ilminster was delighted to welcome Ilminster town crier Andrew Fox and his wife Julie as their guests.

In addition to 'crying' the club members and their guests into dinner, Andrew gave a very enlightening talk on his duties and responsibilities.

Andrew began his talk by asking the question: "What do you call an old man who dresses in funny clothes and shouts at people in the street?"

The answer, of course, he declared, is a town crier.

He said that his main role is to support the community and to help promote awareness of how great a place Ilminster is to the wider public.

A club spokesperson said: "He outlined the history of the origins of town criers, including the information that to interfere or prevent a town crier in carrying out his duties was a treasonable offence. He also acknowledged that nowadays the role is largely a ceremonial one."

"Whilst there is no official dress code some elements have been steeped in tradition, and most carry a bell to summon the attention of the public.

"Appointed by the Chamber of Commerce for his three-year term of office, Andrew has represented the town at events as far afield as Hastings and Cornwall.

"In summing up his talk Andrew mentioned the desire for more invitations to carry out his duties, something the Rotary Club of Ilminster are certainly planning to take him up on."

Basket weaver returns to Seavington

A NEW exhibition at Seavington Community Shop sees a former resident return home after leaving the village in 1988, **writes ANDERS LARSSON.**

Basket-maker Paul Tuck returned to Seavington after almost 30 years with a range of baskets for an exhibition in the village shop.

After studying at Cannington and working in farming, Paul trained as a basket-maker on the Somerset Levels in 1987.

A year later he moved to the edge of Exmoor and began trading as Exmoor Baskets and Hurdles; a business which continues to thrive.

The original aim to produce strong, functional items based on traditional designs remains at the centre of Paul's work.

He has brought a range of log baskets, washing and shopping baskets as well as waste paper bins and simple round everyday baskets on for the exhibition at Seavington Community Shop.

Accompanying Paul's work in the shop area are Pauline Rook's powerful black and white photographs of Somerset country life.

Pauline, who lives just a few miles from the shop in Lopen, has become well-known through-out the region for her portraits of

farming life and the Somerset countryside.

Once a farmer herself, Pauline has a strong affinity with her subjects, her farming knowledge enabling her to achieve shots many would find impossible.

Pauline's latest photographic journey has been about embracing all the possibilities digital photography offers.

A keen gardener, Pauline has been working with flowers she has grown herself, developing digital techniques as different as trying to show flowers in motion, capturing the fragile beauty of white flowers on a white background and producing painterly still-life images.

These colourful and beautiful pictures are now exhibited in Seavington's community café and will be there until the end of October.

One early visitor to the exhibition remarked that "the exhibitions are a very pleasing mixture of rural themes, Somerset willow, Somerset views and garden flowers."

Named Baskets and Flowers, the exhibition runs until the end of October.

Seavington Community Shop & Café is next to the Millennium Hall on Water Street, and is open

Mondays-Fridays, 8.30am-6pm, Saturdays 9am-3pm (the café closes at 4.30pm during the week and at 2pm on Saturdays).

The café staff welcome bookings from groups and can cater for parties too.

If you have a few hours to spare each week and would like to join the team of volunteers, contact the shop and arrange to meet one of the committee members.

For more details phone 01460 249730.

Record number of entries for county business awards

THE 2015 Somerset Business Awards have closed for nominations and organisers are delighted to record the most entries in its 11 year history.

More than 160 entries were received from over 100 successful businesses in Somerset.

Judges faced their biggest task ever of going through the applications and long-listing the entries.

They now look forward to visiting the successful business, before selecting their finalists for each of the 14 categories.

Commenting on the record-breaking year, Jenn Chidley-Sanders of Somerset

Chamber of Commerce – organisers of the Somerset Business Awards – said: "We are absolutely delighted with the number of entries.

"Somerset companies never fail to amaze us with the level of passion they portray in their entries, and we look forward to reading all the entries in detail."

Shortlisted businesses are currently being visited by the judges and the finalists will be announced at the end of September.

Finalists and winners will be celebrated on Friday, October 23rd at a glittering black tie occasion at Wellsprings Leisure Centre in Taunton.

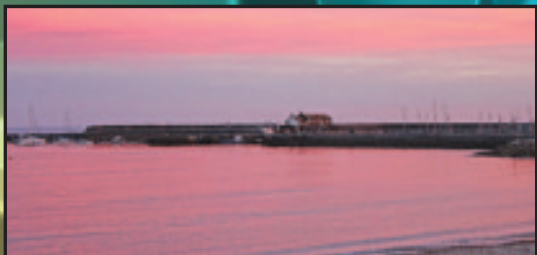

The awards are sponsored by a variety of Somerset businesses from the county's vibrant business community, including main sponsor, Albert Goodman – returning for the fifth consecutive year.

David Griffin, managing partner of Albert Goodman, commented: "Every year we see businesses in Somerset continue to flourish and provide valuable growth within the local economy, and this is reflected in the number and quality of entries we have received.

"As the main sponsor, Albert Goodman is proud to support the awards and we wish all the entrants the best of luck with their applications."

EXCEPTIONAL weather saw a bumper crowd attending the recent Ferne Animal Sanctuary Fun Dog Show in Wambrook, near Chard, enabling the event to raise just under £3,000.

"So much so, that we had a VIP 'Doggy Cooling Area' where the dogs could cool off in a paddling pool full of water under their own private gazebo.

"Sincerest thanks must go to all our sponsors, donors, volunteers and staff. Also thanks to our judge, retired Coombefield veterinary surgeon, Michael Shaw; steward Jacqui Leaver and our invaluable compere, Mac Wheadon.

Hospital boost

■ **LOCAL DIFFERENCE:** Lesley Harwood presents the cheque to Ron Bond, chairman of Crewkerne Hospital's League of Friends

THE Nisa store in Park View, Crewkerne, and its customers, raised £500 for The League of Friends of Crewkerne Hospital through the chain's Making A Difference Locally programme.

When customers buy certain products, marked with the special pink charity logo, the store puts a percentage of the sale price into the Making a Difference Locally fund.

Customers are asked to help decide which local charity or good cause should then receive the accumulated funds.

A while ago Nisa customers

decided that the League of Friends of Crewkerne Hospital should be the lucky recipient.

As a result, Lesley Harwood of Nisa recently handed over a cheque for £500 to the league's chairman, Ron Bond, at the hospital.

Lesley has long been a supporter of the League of Friends and Nisa has for the past few years donated the £50 first prize for the league's annual draw.

Lesley also sold copies of the league's booklet Crewkerne Community Hospital – A Pot-

ted History, produced to mark the 110th anniversary of the opening of the hospital.

On receiving the cheque, Ron said he was very grateful for all the support provided to the league by Lesley, Nisa and its customers.

Ron said: "Supporters of the hospital can rest assured that all money received by the league is put to good use."

"The league has recently paid towards the redecoration of the hospital's day room and is planning to revamp the hospital's inner courtyard garden in the coming months."

Town centre resurfacing works pencilled in for next summer

■ **BLUEPRINT:** District councillors Jason Baker (Holyrood) and Amanda Broom (Chard Combe) with the outline of the town centre road resurfacing project

EARLY indications suggest that major resurfacing work in Chard could take place overnight next summer.

Somerset County Council (SCC) have tentative plans to resurface the town's High Street and Fore Street in the next financial year.

A county council spokesperson said: "We recently held a public consultation to discuss the possibility of carriageway

resurfacing works on High Street and Fore Street of Chard town centre in the next financial year.

"However, this is still in the very early stages of discussion."

"We've met with local residents, traders, and district councillors to identify the preferred ideal timings, should these works be carried out."

"Nothing has been finalised as of yet, but initial feedback is

indicating a preference to works being carried out in the summer months, using night time working hours. We will confirm further details shortly."

To make sure that as many people as possible can have their say, district councillors Amanda Broom (Chard Combe) and Jason Baker (Holyrood) held their own consultation session at Chard Town Hall on Monday September 7th.

Stiff competition at Dowlish Wake

THE competition was stiff last weekend as entrants for one of the last flower, vegetable and craft shows of the season, held in Dowlish Wake, battled it out for supremacy in the hope of taking home one of the coveted awards up for grabs.

Somerset County Councillor, Linda Vijeh, attended the event, along with District Councillor Sue Osborne, who had been invited to handout the prizes.

Councillor Vijeh said: "I love attending these events as for me they form the backbone of our vibrant rural communities.

"I usually enter many of the categories, and even manage to win some, but this year I'm afraid I just didn't get my act together in time.

"As always it was very impressive to see the amount of time and effort everyone had put into organising the event, and thankfully the weather played ball for once."

Winning highlights were the Tony Spiller Award for the 'Best in Show' vegetable, which was scooped up by Sally Bampton for her cucumbers.

The children of the Peachey family once again walked off with a whole clutch of prizes, including Emeline Peachey for her splendid hens' eggs from her chicken Freckles, a Foghorn Exchequer.

Kathy Paterson's fine specimen helped her to beat off the competition for the Gale Award for tallest sunflower, and the new award, a shovel donated by the Bignall family for the heaviest potato, won by Sally Gale, gave cause for much amusement.

Pippa Sage's name kept popping up

everywhere, so it was no surprise that her cluster of vibrant red roses gained the Tony Spiller Award for 'Best Cut Flower', although she was pipped at the post when it came to the trophy donated by Topsy Sumption for the most points in the Flower Class, as Pat Hollard could barely hide her delight that all of her efforts has paid off.

Not content with that, Pat also took the trophy donated by Margaret Morgan for the most points in the 'Floral Art & Flower Arrangement' section, before going on to triumph in scoring the most points in the whole show, winning the New Inn Trophy.

Rachel Webb is always a strong contender in any of the baking and cooking classes, and again won the Chapman Shield for the most points, gaining high praise for her carrot cake, complete with baby carrots on top that were much admired by everyone.

Simon Gale and Stuart Burchett were joint winners of the Rose Award in the men's baking section and, not to be outdone, Dennis Read was well satisfied to have his photographs recognised by walking home with the WI Award.

Arts and Crafts were also well represented, with Natasha Mason being awarded the Gallagher Trophy for most points in the Arts section, and Wendy Tydeman the Excell Shield for most points for her crafts.

The lively event concluded with the award of the Male Family Cup for most points in the children's classes, which was won by show regulars, Myrtle and Emmeline Peachey.

WYNDHAM WAVE 16.2H GREY GELDING - RAN 22 TIMES

WILSON suffered an injury to his knee in April 2014 which was successfully operated on. After a period of rest we were asked to take him in.

Until his arrival here Wilson had never encountered any road work. He has taken to our busy village very well and surprisingly not un-

duly worried about traffic. He is not overly happy when asked to take the lead, but with time we are sure he will grow in confidence. Wilson would suit a capable rider to help him with his education, but due to his knee operation, a non-competitive home would be best for him.

Gifts for all the family & friends.

KORAKOR 16.3H CHESTNUT GELDING - RAN 41 TIMES

The most beautiful eyes that you would ever see on a horse was on Kokopops. It was the first thing everyone noticed when they met him.

Coupled with a gold encrusted coat he was everyone's favorite. By no means was Koko a novice riders horse, he was a good chaser in his time and did not take to be left behind too kindly.

Due to a very nasty injury to his hock, he would never

be in the show ring or do dressage but he did enjoy himself pleasure rides and a bit of show jumping. After 5 1/2 years in a loan home, but sadly was returned due to family commitments. He was returned and is suffering with a gum disease called gingivitis, and now has no front teeth. So he now requires specialist feeding and remains as a permanent resident and is available for adoption.

DEFINITE CHANCE 16.3H DEFINITE ARTICLE - GOLCONDA

DAVY, retired sound having point to pointed in Ireland. Lovely mover and a super kind chap. Has issues with having his bridle put on, so we avoid this issue by building a basic bridle on him which takes no time at all and he

excepts very well. Davey is an absolute gent to ride alone or in company, and would be a lovely addition to any equine family. Has had a suspensory injury in the past but shows no ill effects from this.

MAUNDY MONEY 16.1H BAY GELDING - RAN 91 TIMES

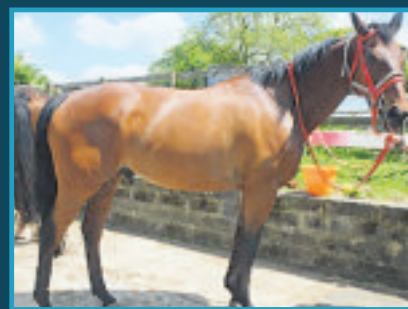

MAUNDY made quite a name for himself in Ireland and was a favorite in the racing yard where he remained after his last race.

Despite not having hacked on roads due to the yards location, he has taken well to this new

experience, as yet not phased by anything he has encountered.

Kind friendly horse and easy to be around.

Would make a possible RoR show prospect or riding club horse for an experienced rider.

TALK TALK 15.3H BAY GELDING - RAN 3 TIMES

Advertised on the internet for £300. Having had an injury and a 50 -50 chance of recovery, at that price he could end up in the wrong hands. We must point out we do not buy horses. So a phone call to the advertiser explaining how we could help resulted in us collecting him 2 days later. He looked so tiny so we called him Tim.

Tim is an absolute sweetie and has not got a bad bone in his body, he loves to be with humans and just lacks spacial awareness sometimes as he would literally sit on your lap if he could. Timmy is now not rideable due to an injury he sustained at age 2 and remains here as a permanent resident available for adoption.

The Nail Studio

Very soon we will be THREE year's old – can you believe it?

IT'S JUST amazing how time simply flies by when you are having a busy time and enjoying yourselves and that's exactly what we've been doing at The Nail Studio.

We've met so many lovely new customers in this last three years many of which come to see us regularly for a special pamper leaving looking just that little more serene and perfect. Remember beauty has a lot to do with self-esteem so it's not only about looking good on the outside but it's also about how you feel on the inside that we think really matters.

Our team has grown since we first opened and now we are four strong with the recent addition of Charlotte who has so much enthusiasm for new looking nail art we simply can not stop her. Charlotte has also recently qualified to deliver great looking acrylic nails so for this month only we have an offer on a

full set of acrylic nails with Charlotte for only £20 - now that's a really special deal!

Great looking nails are what we are truly committed to with great manicures and truly relaxing pedicures topping our list of treatments but we don't stop there having added a whole host of additional beauty essentials including waxing, spray tans, facials, body massage and of course our eyelash extensions which are simply an amazing transformation. So confident are we that you will totally love them that if you are not 100% pleased we will give you your money back. Eyelash extensions are the secret to looking totally amazing ...they just need trying!

Appointments are always best, though if you are feeling lucky we always try to accommodate anyone who may just impulsively think I need great looking nails or some special me time so do feel free to just pop in at any time.

We would like to thank all of our customers for their custom and if you haven't visited our micro spa in the centre of Axminster then perhaps we can tempt you to feel that little extra bit special in some way.

Axminster Garden Machinery

AXMINSTER Garden Machinery is the wholesale factory appointed dealer for the increasingly popular Walker Mowers in the South West.

Phil Roper, who has worked in the horticultural industry as a garden machinery expert for over 32 years, formed Axminster Garden Machinery in 1999. As a sales engineer and manager this background gives Phil the chance to offer all of his customers expert knowledge when either choosing either new or used equipment, and he can also give customers honest advice or recommendation.

Phil advises that the Walker Mower is up to 25% more productive than other zero turn mowers. The range offers compact machines that can get in and out of places others can't. They are easy to manoeuvre with precision steering. Due to the low centre of gravity and balanced weight distribution the Walker has excellent stability.

The operator also has a full view of the mower deck and the grass in front of and beside it.

Phil personally and carefully selects every piece of new machinery and equipment Axminster Gardens Machinery sell, and has used and tested all the machinery they offer. With a large showroom and parts department as well as a fully equipped workshop, it is possible to actually view and handle virtually every type of machinery they supply.

Axminster Garden Machinery are an independent horticultural and ground care equipment Specialist, and pride themselves on the fact that they are factory main appointed dealers, for this gives the customer peace of mind when it comes to spares or repairs or servicing. When repairing machinery, Axminster Garden Machinery firmly believes in quality engineering and design. They can provide the full backup.

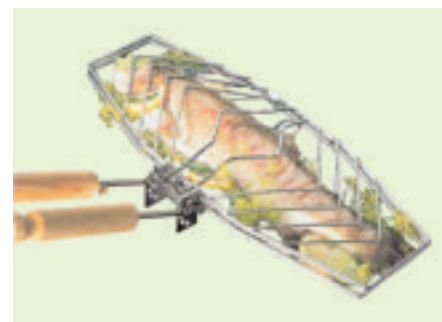

Their aim is to know that the customer's needs and concerns have been met to give them quality, user-friendly equipment at the right price.

Axminster Garden Machinery are small enough to care and big enough to cope.

Axminster Health & Wellbeing Centre - Wishing Well Cancer Support Group

A free yoga session for people living with cancer and their carers- a Wishing Well free workshop with Angela Shannon - Thursday 17th September at 2.30pm.

SOME people with cancer who have used yoga say that it helps calm their mind so that they can cope better with their cancer and its treatment. Others say that it helps to reduce symptoms and side effects such as pain, tiredness, sleep problems and depression.

Yoga offers a range of practical tools with which you can help yourself and mobilise your own inner resources. The simplest of yoga breathing, movement, relaxation and meditation techniques may help you to deal with the powerful emotions that can come with the diagnosis of a life changing illness. This workshop is suitable for all fitness levels and abilities and no previous experience is necessary.

Wishing Well meets weekly on Thursday afternoons from 2.30-4.30 at the Axminster Health and Wellbeing Centre. We are running a series of free talks and workshops as well as providing a safe space to meet, chat, have a drink and relax. We have recently received a grant from Macmillan and some money generously donated by the Axe Valley Festival and so we are able to offer people with cancer free complementary therapies. Our current programme of talks and workshops is shown below;

17th September - Angela Shannon - Yoga for people living with cancer

1st October - Samantha Norris - Watercolour Painting (all materials provided)

15th October - Linda Rock - The Rosen Method

Howard Flanagan, Dorset Artist Art Exhibition: September 1–October 30

Howard's meticulous attention to detail produces incredible photo-realistic artwork that you will question if they really have been painted!

Howard has received no formal art training, "If my work is not instantly recognisable, then I have failed to capture the detail and beauty of the subject frozen in time. Our landscape has been shaped over millions of years and

it is only right and proper that I try and capture it in all its natural glory".

Living in West Dorset, overlooking Golden Cap and the Jurassic Coast, Howard takes his inspiration from the ancient landscape and is never without a camera and a notepad to capture that special moment.

Axminster Post Office

Axminster Post Office Under New Management

AS OF July this year, Axminster Post Office welcomed new proprietors, husband and wife Jaspal and Gurjeet Bains.

Jaspal Bains is a very experienced retailer and publisher, he has recently had two books published, both in Punjabi.

Jaspal's wife; Gurjeet Bains arrived in Britain in 1961. From the outset, Gurjeet was both conscientious, working hard at whatever task she undertook. Having qualified as a nurse, she remained in the profession for three years. It was not until September, 1979, that Gurjeet finally married and gave birth to her first child a year later.

She started her first business in Peterborough in 1986 - in partnership with husband Jaspal Singh Bains, her sister and her sister's husband.

Gurjeet's first taste of the media world came in the form of her local Northampton newspaper.

This eventually led her to join The Sikh Times, Britain's first English Punjabi newspaper, as Editor in 2001.

Some of her most notable achievements have included winning the 'Business Woman of the Year' award in 1991 and becoming one of fifty Ambassadors for the 2012 Olympics.

In 2007 she was awarded with a Honourary Degree, which was conferred to her by Aston University and is Currently the CEO of Women of Cultures, an organisation that empowers women from ethnic minorities.

In 2008, Gurjeet was selected as one of the 'power 50'

candidates that the local Birmingham Post published. Her most recent achievements are the post of non-executive director on to the board of Birmingham's University Hospital Birmingham as the only female Asian on the board.

Fate has taken an ironical twist and Gurjeet now finds herself again in medicine as the only female Asian non-executive director of University Hospital Birmingham and has recently been appointed as the Senior Independent Director.

Whilst keeping their roles in publishing and medicine Jaspal and Gurjeet saw the opportunity of taking over the Post Office and realised their dream of living and working in Devon. The couple aims to keep the Post Office as all the locals know it and offer the same helpful service as usual. The Post Office is currently offering 12 months free broadband premium to all new Broadband Premium customers, plus £15 per month line rental and Broadband just £8 a month thereafter.

All our broadband packages come with HomePhone included. Broadband Premium is ideal for users who enjoy streaming movies, catching up on their favourite TV series or using social media without download limits.

Gurjeet and Jaspal Bains comment 'We would especially like to thank the people of Axminster for all their best wishes, as moving at our age is never easy especially when you leave your children and family behind, but seriously Axminster has made us feel so at home.'

Town Band's recruitment drive

DID YOU learn to play a brass instrument many years ago but gave it up as other things got in the way? Have you always wished that you had learned to play a brass instrument when you were

younger and now regret that you let the opportunity pass you by? Perhaps Lyme Regis Town Band might be able to help you, as the band is currently embarking on a recruitment drive and is keen to encourage new members to join its ranks.

LYME REGIS TOWN BAND

Open Evening

Tuesday 22nd September, 7.30pm
 The Woodmead Halls, Lyme Regis

*Learners and players of all
 ages and abilities most welcome*

Players of all ages and abilities are most welcome, with tuition available for learners and support and encouragement for "rusty" players. The band is keen to stress that learners do not need to be youngsters. It's possible to learn to play at any age and there is several band members who did not pick up a brass instrument until later in life but are now playing on a regular basis, having learned from scratch. Other players have returned after a break of many years and are now greatly enjoying being part of a brass band again.

So if you're interested in learning more about the band, come along to an informal Open Evening which is being held at the Woodmead Halls on Tuesday, September 22nd at 7.30pm. A range of instruments will be available to try out and you'll be able to chat to band members and sit in on a band practice.

For further details or for any queries, please contact Band Secretary, Gilly Warr on 01297 442719, or send an email to gkwarr46@gmail.com. The band's website is at www.lymeregistownband.co.uk.

Comedy, music and theatre take centre stage at the Gateway

THE Gateway once again offers a 'World of Entertainment' over the next few weeks, with live comedy, music and streamed theatre.

Gateway Comedy Grove

The Gateway Comedy Grove returns this month with the very best of comedy from around the national stand-up circuit.

Yes it's the third Gateway Comedy Grove evening, packed full of laughter with top class comedians. Be quick to secure your seat! So who does The Gateway have in store for you this time?

Luke Honnoraty, MC for the night, is a confident, engaging performer whose skilled story telling is sure to captivate the crowd with his cheeky, personable delivery.

Weaving stories on life and embarrassing moments, combined with his naturally refreshing personality, his brand of comedy is easily identifiable and leaves you feeling like you've known him for years.

Philipp Simon is winner of the Lastminute Comedy/Kill for a Seat Comedian of the Year 2015. A delightfully polished performer with a flair for observational humour. His twisted take on the everyday has seen him become an established act with a laconic delivery that is a joy to behold. (Anthony J Brown, Stage Fright Comedy) Philip Simon's set is a joy. A wry observation of life as a nice Jewish boy Very funny indeed. (Cotswold Comedy Club). Philip Simon is never less than hilarious (The Stage)

The comedian formerly known as Tinky-Winky in The Teletubbies, everyone's favourite compere **Dave Thompson** has written for Harry Hill and published a novel. His one-liners and bizarre take on the world is genuinely laugh-out-loud material, such is his following that he has become a cult with students (Funhouse Comedy).

Early in his career **Mike Gunn**, headliner for the night, was supporting the likes of Jo Brand and Alan Davies and recently supported Lee Mack on his huge UK tour. He now headlines at all the top comedy venues in the UK and is rapidly reaching cult status on the circuit. He has performed internationally, taking his talent to Hong Kong, Ireland, Holland, Germany, Switzerland, New Zealand, and Saudi Arabia and to Australia at the Melbourne International Comedy Festival, where he completed a five-week sell-out season. The Importance of Being Earnest

PRIOR to a West End run, David Suchet will star as Lady Bracknell in Oscar Wilde's much loved masterpiece 'The Importance of Being Earnest'.

Wilde's superb satire on Victorian manners is one of the funniest plays in the English language - the delightful repartee and hilarious piercing of hypocrisy and pomposity can still make you laugh out loud.

Two bachelor friends, the adorable dandy Algernon Moncrieff and the utterly reliable John Worthing J.P., lead double lives to court the attentions of the exquisitely desirable Gwendolyn Fairfax and Cecily Cardew. The gallants must then grapple with the riotous consequences of their deceptions, and with the formidable Lady Bracknell.

David Suchet is one of Britain's most respected actors on both stage and screen. Best known for his title role in television's Poirot, his most recent stage credits include 'Long Day's Journey Into Night' and 'All My Sons in the West End'. Winner of an International Emmy award for his performance in BBC drama Maxwell, he has been nominated for numerous Olivier, Tony and BAFTA awards throughout his career, and was awarded the CBE in 2010.

The Importance of Being Earnest will be streamed on Thursday, October 8th. Doors open 6.45pm, performance 7.15pm. Approx running time 2hrs 30mins.

Tickets £12.50 in advance from the Box Office 01297 625699 and from the website ticket shop, or £15.00 on the door. Licensed bar and refreshments.

Gloriator

GLORIATOR is a wonderfully inventive, physical and riotously funny show that will make your face ache!

As Mel Giedroyc says of this show: "Catch them now before they're selling out at The Albert Hall", Gloria Delaneuf is well-versed in mime, mask, and the mysteries of stage-craft.

Her UK tour manager Josephine Cunningham is not. Together they have created 'Gloriator' - an awe-inspiring production of bravery, honour, and costumes made out of cardboard.

Gloriator comes to the Beehive, Honiton on Saturday, September 19th at 8pm. For more details visit www.beehivehoniton.co.uk

Tip Top Quartet

WHEN no less a musician than Sir John Dankworth describes a fellow player as "brilliant" you'd be mad not to sit up and pay attention. And when that player (who happens to be tenor saxophonist Ian Ellis) joins forces with Craig Milverton, one of Britain's leading jazz pianists, you'd be even madder not to come and see them play.

Luckily you don't have to wait too long to do just that – the newly formed Ian Ellis Quartet will be playing Ilminster Arts Centre on Friday, September 25th. The Quartet, which also comprises Al Swainger on bass and Coach York on drums, plays a irresistible mix of original material and re-invented standards. The line-up has performed at top venues such as the Royal Festival Hall, Ronnie Scott's and the 606 club, as well as jazz festivals like Glasgow and Saarbrücken.

In this latest show, Ian pays tribute to Billy Strayhorn, the brilliant composer who was Duke Ellington's right hand man through his most creative years with his Orchestra. Classic tunes include Lush Life, Isfahan and Duke's signature tune Take The 'A' Train.

Ian Ellis has worked as a professional jazz saxophonist since 1985 and has performed live and

Ian Ellis

recorded with stars such as Ruby Turner, Victoria Newton, Arturo Sandoval, and Rumer. Jazz Wise Magazine has hailed him as a "virtuoso saxophonist, one of our very best".

Craig Milverton is an award winning jazz pianist and "the best pianist to come along in Britain in the last two decades, and the nearest to the great Oscar Peterson", according to Digby Fairweather.

The Ian Ellis Quartet play at Ilminster Arts Centre at the Meeting House on Friday, September 25th at 8pm. Tickets are £14, and a pre-show supper is available for £12 but must be pre-booked. For more details and to book call 01460 54973 or visit www.themeetinghouse.org.uk

Concert set to raise money for food bank

TALENTED local songbird Vicki Campbell and piano virtuoso, Oskar Hammond, will be performing an evening of music and song at Sidholme Hotel this Wednesday, September 16th.

The show will feature many of Vicki's favourite songs, including numbers by Rogers & Hammerstein, Gershwin, Noel Coward, Lerner and Lowe, Burt Bacharach, Carole King and Sondheim. Most of the songs have been big hits in stage musicals or films, so Vicki says "there should be something to please everyone".

Vicki has sung in many musicals at Manor Pavilion Theatre and she and Oskar have regularly performed together. Oscar will be playing some piano solos as well as joining Vicki for delightful duets! The concert takes place in the beautiful Music Room at Sidholme Hotel in Elysian Fields, Sidmouth EX10 8UJ and commences at 7.45 pm (Doors open at 7.00 pm). Vicki came up with the idea of this concert as a way to raise funds for the Sid Valley Food Bank. Although the Food Bank relies on contributions of food and on the time that the Volunteers are able to

give, in order to continue to operate successfully, additional funding is always needed. For this concert, Vicki has also enlisted the help of members of Sidmouth Lions Club.

Tickets for the concert are £8.50 each and they are on sale at Paper

Moon Cards & Gifts, 38 Fore Street (opposite Boots), Sidmouth (Tel: 01395 513977). Numbers are strictly limited, so if you would like to attend this delightful evening's entertainment, you are advised to buy your tickets as soon as possible.

Return of popular organist

THERE WAS another excellent musical afternoon at Beer on September 12th when Nicholas Martin, BEM, one of the UK's foremost concert and recording organists, returned to present an outstanding afternoon's entertainment. It was a pleasure to listen to his wide-ranging programme of music and his medleys of show tunes were particularly memorable. Nicholas commented "It is a great privilege to play on this historic and exquisite Wurlitzer".

It was on a visit to the Blackpool Tower Ballroom in 1969 and hearing Reginald Dixon play on the organ at the age of 11 and, astonishingly, at the age of 17 he became the resident organist at this famous venue. His musical career continued with a 21 year association with Turner's Musical Merry-go-Round in the Midlands and he now travels extensively in the UK performing at concert and dance venues.

Nicholas has co-founded with his wife a charity called 'Miracles to Believe in' which supports autistic children. Through his musical performances, he has raised a huge sum for this charity which is close to his heart as both his sons suffer from severe autism. Nicholas was proud to tell the large audience that in May this year the Queen presented him with the British Empire Medal in recognition of this charity work.

The penultimate show in the 2015 programme will be on Saturday, October 10th, at the Congregational Church, Fore Street, Beer, when Damon Willetts, National Concert Organist, will make his first appearance at the Beer Wurlitzer. Everyone is most welcome - admittance is £7.00 on the door, to include interval refreshments, children under 16 are free. For further information phone 01297 24892 or visit www.beerwurlitzer.org.uk.

The big 'to-do-list!'

Staring at a massive 'to-do-list' before your big day can be incredibly overwhelming. Especially when all you want is to create the perfect day for the beginning of the rest of your life, with your loved one to be! So we have broken down the top 10 key elements, to put your mind at ease. So put your feet up, and dream BIG!

1. Budget

Budget equals scary for a lot of people. But all you need to do is think realistically and set a price you and your partner can both agree on.

After this, it's all about prioritizing the things that are most important to you; the spectacular stately home, the stunning vintage wedding dress or the most delicious petits-fors! Knowing what is most important to you will really shape your day into what you both want.

Keep your eye out for hidden charges, such as corkage fees – as this can set you back a small fortune.

2. Location, location, location!

Location is key! Having a personal interest in a venue can really make your day. If you are religious, spiritual or humanist, there is almost certainly a venue out there to suit.

Be mindful that in the UK you can only legally marry in registered locations – but this doesn't have to go against your perfect spot! Blessings can take place on beautiful beaches, majestic woodland and trendy city spots. The world is your oyster!

3. The after party

After the ceremony, you will of course want to celebrate! Of course many ceremony venues are open to you for your whole big day, and offer many packages to suit your budget.

Why not think outside of the box by looking for quaint villages or town halls, industrial warehouses, barns, museums or a meadow for a tipi.

4. Capturing your day

Capturing the memories of your big day is definitely worth considering. When I got married, everything went by so quickly! Being able to hold the memories in my hands and share them with my partner is so precious as we can relive it through the images.

Check out wedding blogs, magazines and word-of-mouth recommendations for brilliant

photographers and filmmakers who can suggest ideas to make your planning that little bit more fun.

5. Keep your guests entertained!

To fill your day with a buzz and to allow your guests to have a complete blast, why not consider hiring some outdoor fun! Everything from croquet, board games, and photo booths – these are all things to think about when going through your checklist.

6. Entertainment

Personalise your entertainment based on your own interests. If you love music then compile your own playlist. Or if you are a keen baker why not host a bake off contest?

7. The after, after party!

Don't forget about getting away as newlyweds after tying the knot! Planning your big day may feel like the most important thing, but finally being married and together holds so much value.

Anything goes when it comes to your first holiday as newlyweds, from glamping on the coast, to treading the souqs of Marrakesh – the world is open to you!

8. Food

Wedding breakfasts aren't what they were 50 years ago! Everything from hog roasts, to hiring a vintage fish and chip van, to a sit-down afternoon tea are all possible.

If you love ice-cream, popcorn or sweets – don't limit yourself to tradition! There are so many things to suit all budgets, and so much available.

9. Your grand entrance

Everything from tractors, to campervans and horse-drawn carriages are available for your big day. Go with what you would feel comfortable sitting in, and think of the great photo opportunities!

SPOTLIGHT

SPOTLIGHT ON MY SERVICE

Wesco

Ideally you should have a boiler service annually because regular servicing will help prolong the problem-free life of your boiler as well as helping it to run more efficiently, saving you money and using less energy. All of our engineers are highly experienced and can perform a boiler service on all of the main boiler brands, including Worcester, Glow Worm, Potterton, Ideal and more.

We'll check your boiler's controls and components, clean the vital parts to improve efficiency, check for scale damage to the system and examine radiators, valves and pipe work for any corrosion or leaks.

Having your boiler serviced is very important, entailing all the cleaning, checking and fault-spotting that's vital in minimizing the chances of anything going wrong with your boiler in the future. Not only this, but a clean, serviced boiler is more efficient, using less gas/oil and therefore saving you money, that's why we promise..

- We will check your gas/oil boiler, controls and components.

- We will clean vital parts, help prevent carbon monoxide incidents and improve Gas/Oil efficiency.

- Improved Efficiency will reduce your gas/Oil bills

- We will check for scale damage to your boiler and system

- We will check your radiators, radiator valves and exposed pipe work for leaks and corrosion.

- "All gas consumers are advised to have appliances checked for safety at least every 12 months by a Gas Safe Registered (previously Corgi) Engineer"

Regular boiler servicing extends the working life of your boiler, and our thorough local plumbers are highly skilled engineers that will check controls and components, look for scale damage to the boiler and its system, and check the radiators, valves and exposed pipe work for leaks and corrosion, helping you enjoy many years with a boiler in good, safe working order.

Vauxhall announces all-new Brit-built Astra Sports Tourer

VAUXHALL'S all-new Astra Sports Tourer is to make its debut at the 2015 Frankfurt Motor Show.

Like its five-door hatch sibling, the Sports Tourer is based on an all-new lightweight vehicle architecture with a new design, powertrains and technology. It is built at Vauxhall's Ellesmere Port manufacturing plant in Cheshire.

▲ All-new Brit-built Astra Sports Tourer

Design

Just like the five-door hatch, the Sports Tourer takes Vauxhall's design philosophy 'Sculptural Artistry meets Technical Precision' to the next level.

The Sports Tourer further extends the dynamic lines of the five-door. The slightly arched sloping roofline gives the Sports Tourer a longer appearance – an effect that is

further enhanced by the divided C-pillar. The rear view combines high functionality with elegant design. The Sports Tourer has a stable, robust and safe stance – the muscular rear-wheel arch contours and the divided rear light clusters add to this impression.

The latest generation Sports Tourer has the same dimensions as the outgoing model with a length of 4,702mm, a width of 1,871mm (with exterior mirrors folded in) and a height of 1,499mm

– however, it offers much more space for passengers and luggage. The driver can enjoy 26mm of additional headroom, passengers in the rear have 28mm more, providing more space and comfort. The Sports Tourer's total cargo capacity is now 1,630 litres, thanks to more efficient packaging.

Loading space

For the first time on a Vauxhall, the tailgate can be opened without a touch or a remote control. In combination with "Keyless Entry and Start" a simple small kicking motion under the rear bumper is enough to open the tailgate. A further kicking motion under the bumper will close the tailgate. The clever system can detect any obstruction and stops the mechanism in case of an emergency. The tailgate can still be opened by a switch on the driver's side of the car or via the key's remote control.

In order to increase loading space the Sports Tourer comes with 40/20/40 foldable rear seats enabling even more flexible loading space configurations. The FlexOraniser product range with side rails, dividing nets and

various fastening options is available as an option so that all loaded materials can be stored safely and tidily.

Powertrains

The powertrain portfolio features petrol and diesel units ranging from 100PS to 200PS, including an all-new 1.4-litre (150PS) ECOTEC Direct Injection Turbo and the recently-launched 1.6-litre CDTi Whisper Diesel. The 200PS version of the 1.6-litre ECOTEC petrol will celebrate its world premiere at Frankfurt.

Chassis

Depending on the model and trim level it is up to 200kg lighter than its predecessor. The completely new vehicle architecture plays a major role in the weight reduction. Every component was checked for compact design and lightweight materials. The body shell weight alone was reduced by 20 per cent from 357kg to 280kg.

Additional, chassis-related measures resulted in a further 50kg weight loss. These include high-strength and ultra-high-strength low-weight steels, compact subframes as well as weight reductions to the front and rear axle.

Anniversary model to mark the 40th birthday of the Golf GTI

AT THE beginning of next year, the icon of the sporty compact class – the Golf GTI – is celebrating its 40th anniversary. Volkswagen will mark this historic event with a progressive special edition: the new Golf GTI Clubsport. Now Volkswagen is presenting the production version of the new Golf GTI Clubsport at the International Motor Show (IAA) in Frankfurt and offers a first look ahead at the driving performance of the most powerful production GTI ever.

The inventor of the "GTI" is thus continuing the tradition of GTI anniversary models, as exclusive special editions also marked the 20th, 25th, 30th and 35th birthdays. The turbocharged direct-injection engine in the anniversary model delivers an output of 195 kW / 265 PS, 35 PS more than on the previous most powerful Golf GTI. That, however, is far from all. For a short time – approximately 10 seconds each time – the driver can increase engine power by an additional 10 per cent to over 290 PS using a boost function. This added power is activated simply by kicking down the accelerator.

The Golf GTI Clubsport sprints to 100 km/h in 6.0 seconds with a 6-speed manual gearbox; the optional 6-speed dual-clutch gearbox (DSG) is even faster at 5.9 seconds. The Golf GTI Clubsport has a top speed of 250 km/h (DSG: 249 km/h). A look at fuel economy shows just how efficiently the sports car converts engine power into propulsion. With a manual gearbox, consumption is 6.9 l/100 km (equivalent to 160 g/km CO₂); if power is transferred to the front wheels by DSG, the figure comes in at 6.7 l/100 km (155 g/km CO₂).

Not only has Volkswagen given the anniversary model's engine more power, it has also extensively revised the design, equipment and aerodynamic fine-tuning of the anniversary model. Due to the high power output and significantly improved downforce, the dynamic performance of the Golf GTI Clubsport propels it into the domain of top-

class motorsport. This results in ground breaking handling properties at high speeds and breath taking cornering speeds.

The Golf GTI Clubsport is painted in "Oryx White" (other colours are available); as a contrast, the roof area comes in black. The Volkswagen exterior designers created a completely new front bumper, new side sills, a new rear diffuser, a new multi-part roof spoiler and exclusive forged alloy wheels for the anniversary model. These features immediately make the anniversary model stand out from the familiar GTI models.

Sport news– the local football scene

Morale boosting cup win for Ilminster Town

Depleted Crewkerne Town unable to mount defence of Somerset Junior Cup

Chard Town 0 Keynsham Town 2
Tolstons Division One – att; 83

DESPITE boasting a superb record on their travels injury-hit Chard Town are still misfiring at their Zembard Lane.

Two goals just before half-time means Adam Fricker's team have now just banked one point from their three home league games so far this season.

Robins; J.Hutchings, B.Haines, L.Waldy (J.Barfoot 76), L.Bailey, M.Scott, Sh Wells–Burr, M.Westlake, J.Regan, O.Latas, B.Symes (R.Parris 61), E.Butcher.

Chard now have two home games in three days beginning with tomorrow's (Wednesday) visit by PORTSHEAD TOWN (7.30pm ko) followed by WEST-BURY UNITED on Saturday (3pm).

◆An 88th minute Adam Tovey strike couldn't save CHARD TOWN RESERVES from a 2-1 defeat at Clyst Valley. "We had the bare 11 – but still managed to hit the woodwork twice and have one kicked off the line," said Chard boss Stuart Parris who was forced to dust off his keeper's gloves.

SOMERSET LEAGUE – D1 (W)
Congresbury 1 Combe St Nicholas 4

DESPITE missing four regulars Combe St Nicholas bounced back from last week's defeat with a fine 4-1 away day triumph.

Luke Finn crossed for Rich Hebditch to open the scoring. A similar ball from the flank then forced an own goal from a home defender in the 25th minute.

Congresbury grabbed a lifeline two minutes before the break to make it 2-1.

But another Finn cross was volleyed home by Joe Simmons, who was later forced off after being scythed down, and the Saints were back in control.

Stand-in skipper Matt Brown completed the scoring in the 81st minute.

Next up for the Saints is Saturday's visit by Minehead for a Somerset Premier/Division One cup first round tie (3pm).

Ilminster Town 6 Welton Rov Res 0
Premier/Division One cup R1

GOALS from Alex Paul (2), Charlie Rutter, Karl Davis, Brad Miles and Jon Delahaye brought an end to Ilminster's six-game winless run and booked them a place in round two of the league cup.

Next up for Ilminster is Saturday's

visit by Welton Rovers Reserves for a Somerset Premier/Division One cup first round tie (3pm).

SOMERSET JUNIOR CUP

THERE were three PSDL casualties in the opening round of the Somerset Junior cup-ties.

Barrington, the current intermediate cup holders, crashed out 4-2 at Nailsea & Tickenham while Combe Reserves' interest ended when they were thrashed 8-1 at home by Freshford.

But perhaps the saddest 'result' of the day was holders Crewkerne Town relinquishing their grip on the trophy when they failed to raise a team for their home tie with Stapleford.

But South Petherton, runners-up in 2012, progressed thanks to a 78th minute diving header from Lee Richards in a 1-0 win at Fry Club.

West & Middle Chinnock had an easier time of it on their trip to Clutton with MoM Charlie Gay scoring four times in a 6-0 rout. Dan Harvey and Matty Bury made up the half dozen.

There were clean sheets and home victories for Perry Street and Shepton Beauchamp.

The Mothers were held to a goal less first half but surged clear thanks to a fine defensive showing to book their place with goals from Dan Collins, Steve Every, Billy Sheahan and Callum Machattie.

Elsewhere, Shepton Beauchamp made the hat with goals from Dan Smith and Aaron Sweet in a 2-0 win over Mendip Broadoak.

PERRY STREET LEAGUE PREMIER

WITH the majority of teams in county cup-tie action, Beaminster grabbed the opportunity to go top with a 2-1 win, their third in a row, over Chard United at Jocelyn Park.

Ryan Mason bagged the Chard consolation, with Dan Baggs and Dean Hyett – an 87th minute winner – scoring for the Rainbows.

Over at Forton the hosts shared two goals and the points with visitors Winsham United. Dave Fowler scored for Forton with Warren Gabbidon on target for 'the Wins'.

Meanwhile, Lyme Regis Bantams, who were operating in Division Four just three years ago, made their debut in the top division with a 5-2 reverse at Netherbury.

Chris Symes bagged a hat-trick for the Ambers while Jon Whetlor, back from his home in Tasmania, scored the second consolation for the Seaside.

DIVISION ONE

JOINT Crewkerne Town Reserves' manager Paul Gold showed he has lost none of his instincts in front of goal with a hat-trick in the 5-1 win at Ilminster Town Colts.

The hosts took a 10th minute lead when Kieran Davis dinked the ball over the visiting keeper.

But Gold levelled five minutes later and the half ended 1-1. Gold then completed his triple to take his career tally up to 283 and Stuart Weston struck twice the round off the win.

In the league's eastern most outpost Alex Atkins put visiting Thorncombe ahead in the second minute.

But hosts Beaminster Reserves stormed back to lead 2-1 at the break.

Josh Hunter, fresh from several run outs with Dorset Premier League side Bridport Reserves, struck four times and Sam Tabner once as The Rainbows won 5-1.

Meanwhile Barrington Reserves failed to score at their Shelway Lane home for the first time in 25 matches and were made to pay as strikes in each half from Liam Proctor and Tim Hussey earned Pymore all three points.

There were goals aplenty at Wadham School with Paul Jordan (2), Chris Rowswell, Lee Banks and Terry Farrell on target for Drimpton in a 5-3 win over hosts Crewkerne Rangers. Dave Smith (2) and James Martin scored for Rangers.

Misterton's impressive start continued with a 5-2 win over Combe A. Chaz Warren (2), Scott Jennings, Dan Edmunds and Harvey Saunders netted for Missy with Chris Warry (pen) and Ross Fanyinka replying.

DIVISION TWO

LEADERS South Petherton Reserves continued their fine start with a 9-0 away day mauling of Kingsbury who are currently finding life tough in Division Two.

Pethy took an early lead but were then grateful for a superb penalty save from keeper Simon Taylor and this sparked the one-way traffic with Jody Bovey (4), Jimmy Rees (3), Dan Kadir and Tim John wading in with the goals.

In-form Chard Rangers made in three wins on the spin with a 6-2 triumph at Merriott Dynamos.

Matt Gaylard gave Rangers a sixth minute lead which was doubled by Craig Whittingham in the 20th minute.

This became 4-0 at the interval courtesy of strikes from Tomas Frystacky and a Scott Curtis penalty.

Dynamos pulled one back through Kieran Bailey after the turnaround only for Curtis to restore the four-goal cushion.

There was another consolation for Bailey but Kevin Cavanagh rounded off the scoring 10 minutes from time.

Meanwhile, Hinton had to come from behind to beat visitors Shepton Beauchamp Reserves 4-2.

Darren House cancelled out an early Shane Cricker strike before 17-year-old Jamie Manley dusted himself down to convert a penalty that he himself had won after being hauled down in the box.

Danny Baker made it 3-1 early in the second half following a neat team move. Jordan Brain pulled one back but the win was secured by Dean Cooper 10 minutes from time.

Over at Bakersfield Merriott Rovers had few scares as they thrashed Winsham United Reserves 6-0. The hosts' cause wasn't helped by two own goals with the other strikes coming from Ashley Cooper, Dan Rudge, George Gillman and Jack Steer.

DIVISION THREE

REFORMED Netherbury Reserves were amongst the goals as they hammered Ilminster Town A 8-2 while Perry Street Reserves, another side that has re-emerged, were grateful for goals from Tom Woodhouse and Ryan Hobby in a 2-1 win on the Dowlish & Donyatt slope. Lance Jocelyn scored for the Dodgers.

Fivehead, another of the new boys recorded their first win of the campaign thanks to goals from Lee Mears, Nick Bazeley, Darren Dabinett and player-manager Adam Male in a 4-1 win over Farway United Reserves.

Over at Barrs Lane an Elliott Greed goal couldn't save Crewkerne Rangers Reserves from a 5-1 defeat at the hands of Charmouth.

Finally Chard United All Stars went down 5-2 at home against Uplyme Reserves despite a double from Sam Ridley-Brown.

football: A view of the Glovers

Fans can take heart after share of points

Yeovil Town 1 AFC Wimbledon

SkyBet League Two – att; 3,687

DESPITE being denied all three points by a late equaliser, Yeovil fans may feel that despite the horrific injury there is hope at the end of the tunnel.

With 10 players already missing through injury, they suffered two more to add to their woes.

Alex Lacey strained his groin in the warm-up and had to be replaced by Jakub Sokolik who was named on the bench after just recovering from a fractured wrist.

The Czech defender wearing a cast fell on his wrist in a collision, but bravely carried on despite suffering great pain.

Then they lost Omar

Sowumni nine minutes into the second half through a shocking tackle from Dons' defender Will Nightingale.

The central defender, who had been asked to play as an emergency strike by manager Paul Sturrock, had once again shown what an asset he is up front – his height and energy causing the visiting defence a lot of problems; including setting up Yeovil's goal.

cynical foul

However, having won a loose ball inside the centre circle, he was scythed down from behind by Nightingale.

After lengthy treatment he was carried off on a stretcher with an ankle injury, whilst Nightingale escaped with just a

caution from stand-in referee Adam Hopkins; a very poor decision.

It looked like Yeovil were going to take a hammering as Wimbledon swarmed all over them in the opening 10 minutes, and keeper Artur Krysiak, later named sponsors man of the match, made two good saves to keep the Glovers in the game.

However the hosts settled down and took the lead midway through the first half when Sowumni headed on Connor Roberts' long throw, for Ryan Bird to stoop down to nod the ball over the line.

Referee Lee Swabey, who had done a good job, then became the third injury victim

when he pulled a muscle and had to be replaced. – pity the abject Neil Kinseley hadn't suffered the same fate in the Morecombe game last week, it would have made for a much better game!

off the post

Wimbledon were unlucky not to have equalised just before the break when Jake Reeves shot left Krysiak rooted to the spot, but the hit the inside of the far post before rebounding to safety.

The second half saw Yeovil string players along the edge of the penalty area and inviting Wimbledon to break them down.

As with last week against Morecombe the play it failed.

The visitors took control for long periods and with no real outlet up front, the Glovers eventually cracked with 12 minutes left when Adebayo Akinfenwa headed home George Francomb's corner.

Yeovil certainly gave a performance that deserved a point, and perhaps had they showed some attacking intentions in the second half, they well have earned all three.

Unfortunately reverting to the defensive tactics they have in the last two matches – a throw back to coach Terry Skiverton's days of defending – inviting the opposition to break you down has not worked and cost the Glovers' points.

HONITON Club's Sue Evans has been given an England trial this coming Saturday (September 19th). Sue will travel to Leamington in the hope of being selected for her country next season.

She is up against it though as there are only 12 places left in the team (plus reserves), to play for.

In the mens Over 60 Triple league the A team needed two points to escape relegation and managed to score six against Phear Park B and so stay up for next season. Bill Nicholls, Tony Williams & Gerry Stafrace won 26-19.

Honiton Youngsters take county titles

SEATON under 10s were edged out 3-2 by Crediton in a thrilling cup match.

The game was evenly poised at 1-1 at half time with a superb long-range drive from Max Nevell cancelling out Crediton's opener.

In the second half Seaton fell further behind conceding two quickfire goals, but a Harvey Green shot from the half way line set up a grandstand finish as Seaton pushed for an equaliser.

The goal never came but all the boys put in a good performance with Christian Pinnock and George Gait catching the eye in midfield but Adam Clinch was man of the match.

CHARD ROAD RUNNERS

with Paul Masters

CRR's were out and about this week starting with a quick sprint over to the Final run of six in the Yeovilton 5k series.

Once again hitting the front from the off was Wayne Loveridge who crossed the line in 16min 56 sec. Joining Wayne was Matt Baker who not only picked up the accolade of completing all six and maintained his run of excellent commitment by crossing the line with a personal best time.

Heading off to Chickerell was Paul Masters and Bernie Genge to take part in the Hangers Hero's Challenge Charity Marathon. The pair started off along the Fleet, before heading off through Abbotsbury and

taking in Hardy's Monument on a self-navigation route.

Paul cross the line in 4th place (4hr 41min 12sec), Bernie came in 6th just five minutes later.

Meanwhile, Mel and Colin Boarder, Vicky Musselwhite, Matt Baker, Gary and Mylena Wheaton all took on the Bristol Half Marathon.

Colin Boarder, running his first ever half, was first to break away with Matt Baker in his second race of the week was snapping at his heels.

Colin crossed the line first for CRR's with Baker following with his second PB of the week.

Mel Boarder was next to finish taking six minutes off her last BHM time, with Vicky chasing in behind.

Gary, carrying an injury was next home with Mylena crossing just behind.

A more local run saw CRR's head off to Shepton Beuchamp 10k.

This mix of road and harsh trail saw Wayne Loveridge in action again running his favorite 10k distance.

Running with Wayne was Maria Wadey who, having ran 40 miles in last weekends 24hr Long Run, was taking this distance and speed as a different challenge.

Wayne took the line in 1st place, Maria maintained good pace throughout crossing the line strongly.
